

- (8) A copy of any and all voter logs or voter rolls containing information related to identifying which registered voters actually cast absentee ballots, either by mail or in person by machine.
- (9) A copy of any voter logs, voter books or other mechanisms of tracking voters that contain information related to identifying registered voters who cast ballots on Election Day, including, but not limited to, the documents containing the signatures of voters casting votes on Election Day. These should include those documents for every single precinct and polling location on Election Day.
- (10) A list of any challengers that were registered in your county, a copy of their appointment letters, the date they completed their statutory required training, and any records that indicate whether the challengers were present on Election Day.
- (11) A list of all precinct officers that worked in your county on Election Day.
- (12) A list of all individuals present in each precinct polling location during Election Day, including the time that the precinct polling locations were occupied before, during, and after the time that the polls were open.
- (13) Any records related to voter assistance forms, including but not limited to copies of the actual forms themselves.
- (14) A copy of all election reports pursuant to KRS 117.355
- (15) A copy of all minutes and any recordings made of or by the County Board of Elections relating to the 2019 General Election.
- (16) The number of votes counted that had marks such as circles, "X" or lines drawn and a description of how these votes were handled.
- (17) Pictures of the original tapes from any voting machines used.
- (18) The number of provisional ballots and how many of these provisional ballots were counted and how many were rejected.
- (19) The number of how many military absentees arrived after the deadline and how many of these were rejected.
- (20) The number of straight ticket voters delineated by party.
- (21) Copies of all ballot images, or other similar documents, in your possession.
- (22) Each and every electronic or digital ballot image file created, held, or used by you.
